## 2025

### Jiantong & Madeleine

December 2024

**Everyone should get married here!**

**The Lake House was absolutely spectacular: setting, atmosphere, service and staff! Chad and Heather are a phenomenal power couple team. They went above and beyond in ensuring our day went smoothly and were very fair and communicative leading up to our wedding.**

**Our wedding day felt like something out of a dream. We were fortunate to have a clear and sunny day with the most spectacular sunset to be witnessed through windows encompassing the entire venue. We could see countless swans swimming by! It was especially special to have our wedding reception at the same location as our first date: paddle boarding together on Frenchman's Bay.**

**The opportunities for photos are countless and you will not need photo permits for any nearby parks or the waterfront. We had 17 tables altogether and 6 needed to be removed to make room for a dancefloor - it happened so fast and efficiently, as did the late night buffet.**

**Absolutely will recommend The Lake House in a heartbeat! Zero regrets! Thank you Chad, Heather and all the wonderful and the staff for all of your hard work and for making our wedding something we will always cherish!**
